5th Grade Band Performance

I want to congratulate Mrs. Lydigsen and our 5th grade band students for a wonderful performance last night. Our students showed great performance habits, as well as improved skill. We know this happens through great instruction, hard work and grit by our students, and the unwavering support of our families. Great job 5th grade band!!

5th Grade Clap Out

On June 5th, Munhall will hold their Clap Out for current 5th grade students. The clap out will officially start at 2:40 pm. All students in grades K to 4th will line the hallways and clap as the 5th graders take their final tour of the school. The route will begin at the end of the 3rd grade hallway, and then proceed past the LRC and down the ramps. Students will then walk around the loop with the 1st and 2nd grade classrooms before heading back toward the main entrance. The route will conclude by having the students exit through the main entrance. 5th grade students will then walk to the grassy area along 13th Avenue to be picked up by parents. 5th grade parents will line both sides hallways and gallery areas between our STRIVE classrooms and 5th grade classrooms. If parents are not able to attend the clap out, students will follow their typical dismissal routine. We encourage you to arrive by 2:30, ready to go. We look forward to sending our 5th grade students off in style!

Field Day

Munhall's annual Field Day will be held on Monday, June 4nd, 2018. We are working hard to create a fun-filled day for all! Kindergarten, 1st, 2nd, 3rd, 4th, and 5th grade classes will participate in an ALL-Day long Field Day. Each grade level will still have their normal scheduled lunch time. If the weather doesn't cooperate, our Field Day will be CANCELLED and unfortunately field day will NOT be rescheduled. Let's hope for great weather!!

Students will enjoy many outdoor/indoor activities. For the day's activities, they will need to be dressed comfortably with tennis-type shoes. If you believe that your child will need sunscreen for field day, please apply it at home before sending your child to school. You may want to give consideration to using a product that has a longer duration and continuous coverage. Also, please send a filled water bottle labeled with your child's first and last name.
